

Success at the Olympic Games and World Championships is the ultimate goal for top athletes. Snowboard Germany (SNBGER) creates the basis for this success with its staff. As an independent top association, SNBGER looks after the national teams in all Olympic disciplines. To strengthen our team, we are looking for 01.10.2024 a

Trainer - Snowboard Halfpipe

Tasks:

Work together with highly motivated athletes and coaches to create professional conditions to enable success at World Cups, Olympic Games and World Championships

This includes:

- Planning, organization and implementation of "on and off snow" training
- Supporting the HP team at international competitions and major events
- Implementation of the Snowboard Germany framework training concept
- Analysis and documentation of training and competition results
- Further development of the National Training Center in Berchtesgaden
- Cooperation with the stakeholders in organized sport
- Supporting the head coach in all organizational and administrative tasks

Requirements:

What goes without saying for our athletes also applies to our coaches: a high level of motivation and commitment, the ability to work in a team and the will to perform. In addition:

- High Level Education in competitive sport
- Very good English language skills
- Professional and social-communicative competence
- High motivation, flexibility, willingness to travel and work (including weekends)
- Enjoying competition and the development of athletes
- Independent and cooperative way of working
- Class B driver's license

Our offer:

- Highly interesting work with snowboard professionals in a dynamic and ambitious team with appropriate remuneration,
- Corporate Benefits
- Training opportunities and personal coaching.

Please send us your application including salary expectations by 31.08.2024 to:
